Arun District Council

Attention: Mrs A Gardner

Civic Centre, Maltravers Road

Littlehampton

BN17 5LF

3 October 2020

Dear Mrs Gardner,

Former Waitrose Building, Avon Road, Littlehampton. Planning Case: LU/214/20 PL

May I please add my voice in objecting to the above development.

1. The proposed buildings are too high; they will dominate the skyline; they will infringe the privacy of surrounding properties.
2. The Development does not meet the carefully thought through aesthetic and cultural requirements of our various local plans.
3. Few of us look to the 1960s 70s and 80s as glory years for the built environment. Those who propose to build in our town in this millennium should equal and exceed the achievements of developments like the Gratwicke Arms, the Old Dairy, the excellent new flint and brick cottages in Duke Street, not to mention our wonderful new built sea and riverscapes.
4. The slapdash nature of the application, noted by others, augurs badly for the Development's actual execution. These people neither know our town, nor care about it.
5. There is insufficient parking for the expected number of new occupants.

I urge the Council to continue opposing this development.

Yours sincerely

Martin Bartholomew
