Thank you for your internet representation made on 27th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30687

Having looked at the latest submitted plans I find little to recommend them above previous plans. the development is not 'well designed'.

It does not fit in with the surroundings. It has a lack of beauty attraction. Why can't Littlehampton have an original design not something that looks like a copy of anywhere with a patch to fill, and only a need for more council tax. Hopefully soon councils will be better funded, but this development will be here for generations. Please do not accept this hastily illconsidered design.

Your views as made above will be considered before the application is determined.
