Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/214/20/PL
Site Address: Empty Supermarket Premises Avon Road Littlehampton BN17 6AT
Description of works: Demolition of existing buildings & redevelopment comprising 37 No. residential units (Class C3) & flexible commercial floorspace (Class A1, A2, A3 and/or D1) together with the provision of car & cycle parking, landscaping & associated works (resubmission following LU/3/19/PL). This application affects the setting of listed buildings & may affect the character & appearance of the East Street, Littlehampton Conservation Area. This application is in CIL Zone 4 (Zero Rated) as 'flats & other development'.

Thank you for your internet representation made on 29th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30804

The Society is pleased to see that the size of the blocks in this proposed development has been reduced.

However, we are very disappointed that the general appearance of the development shows little appreciation of the sensitivity of the surrounding area. It abuts the East Street Conservation Area where there are several listed buildings.

We would like to see some imagination used in the design of the elevations of the blocks so they compliment and reflect the local vernacular of the area. At present, the proposal detracts from the local heritage assets. There are too many slab-sided cream rendered buildings in Littlehampton: cheap to build but lack any good design qualities.

Your views as made above will be considered before the application is determined.
