Dear Scriven

Development:

Ash x2 (T1+T2) - Crown reduce to old points. The trees were reduced to about 4m in height at least 6 years ago. The regrowth would have been epicormic growth which as we know as professionals is weak. This may mean they are liable to fail.

Location:

22 Dorset Close Littlehampton

Thank you for your application submitted via the internet on 27th July 2018. It is being dealt with by the Technical Support Unit and has been allocated the reference number
