Subject: Fences application for Flintstone Centre, Littlehampton

Planning Application LU/219/20/L, LU/218/20/PL I live in a new build estate, the Old Dairy Farm, Church Street, Littlehampton, today I noticed on a lamp post that applications had been made to install new fencing. There are 8 houses on the estate, none of whom have had notification of this application, which directly affects us all, as the houses are not shown on the map. our property is the only one that adjoins the wall, and this is the one place that no fencing is to be installed, we have had problem since we moved in with kids climbing the wall, via the gate and verbally abusing us, I think fencing is a great idea but I would like to see it continue the whole length of the rear of the property. Therefore I am asking for the plans to be amended.

Yours

Ann Frankham
