Dear Peter,

I have spent some time this afternoon reviewing this and the other 7 applications that were reassigned to me yesterday. I am minded to support the application as I think it is a significant improvement over the existing however, I will need to check this position with my Team Leader. I hope to do this by end of next week. I don't mind if you wish to wait until I report back.

Kind Regards

Simon,

Thanks for the e-mail, [REDACTED]

Since we submitted the revised scheme, we've had no update on the application, aside from some consultee feedback. Prior to agreeing an extension of time I would be grateful for some indication as to whether the current proposal has overcome the previous objections and/or whether any further information/amended plans are required.

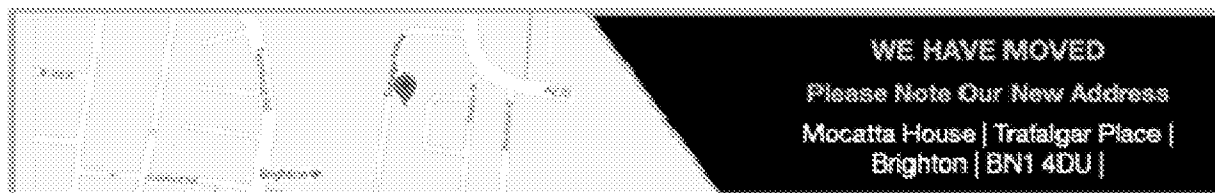

Once we have this, I will discuss with the applicant the implications of the EOT.

Regards

Peter Young

Dear Mr Young,

I have been reallocated this application. I appreciate that it is due for a decision next Tuesday but I have my own caseload and I won't be able to meet this deadline. I am writing to request an Extension of Time until 15th October 2021. I may be able to do it sooner but it would be helpful to me if you would agree to this extension in case I cannot.

Kind Regards
