RE: Windowless Sampling and Ground Water Monitoring- Arun District Council

For the attention of Jane Gallifent

Email: [REDACTED]

Dear Jane,

Please find below the ground water level information following monitoring visit (MON 5) carried out on the 9th January 2014, for the 5 installed window sample boreholes at Wick, Littlehampton.

Window Sample	Location	Depth of Installation	Groundwater Level (mbgl)
WS1	Joyce Close	3.82m	3.32m
WS2	Land west of Joyce Close	3.81m	Dry
WS3	Greenfields	3.81m	Dry
WS4	Land west of Greenfields	3.81m	Dry
WS5	Clun Road	3.81m	3.71m

Detailed locations and soil logs for each borehole can be found in letter reference 13.7841/Dec 13.

Kind Regards,

Constructive Evaluation Limited

Engineering Geologist
