Daun. In reply to your email I can confirm the eavea of the proposed extension will not exceed the height of the eaves of the existing building.

Mr Fulker,

Please confirm that the eaves height of the proposed extension does not exceed the height of any part of the existing eaves.

You can simply email me the answers to the above question.

I am hoping the case office can make the site visit tomorrow so if you could get the information to be by tomorrow, he will be able to make the site visit.

If you have any questions, please let me know.

Thank you,
Mrs Johnson
