Good afternoon,

Either you can withdraw the application and resubmit it, which will take another 8 weeks for a decision from validation OR we can validate the application we have, assign a case officer and wait for up to 8 weeks for a decision.

Yes, we do have all the paperwork to be able to validate the application.

Thank you,

Daun

Good afternoon,

Oh... we can't complete the sale of the property since May and we were sure that this application will be completed in around the second week of September so we can finally complete the sale. The buyers of the property also were sure that this is the latest thing we have to do and already ordered furniture and today at 5pm they having floor measure to order a new carpet. The buyers of the property are only waiting for this document.

Am I right saying that you have all the paperwork but I have to withdraw this application, complete a new one and wait for up to 8 weeks for a new decision?

Thank you in advance

I have all the information I need to validate it and pass it through to a case officer today, if that is what you wish me to do.

The decision will be made in about 8 weeks.

Please let me know what you decide.

Thank you
Mrs Johnson

Thank you for receipt.

Here is the problem...you submitted the application in July which does not constitute 4 years.

There are basically two choices you can make:

1. Withdraw the application and resubmit immediately so the application is submitted over 4 years from the receipt, or
2. I can validate the application and it will be refused because of the date when the application was submitted which does not constitute 4 years.

If you decide to withdraw the application and resubmit, the fee can be held and put on the new application. In this case 2 paper copies, not by email, of all statements, forms, plans etc to this office.

If you decide to go back through the portal, your original fee will be refunded and you will need to pay them again.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Good evening,

Please find an invoice proofing that the driveway was repaved 1st of September 2015.

Unfortunately I'm not able to complete Question 6 on the application form online as the application is locked for editing.

But the reason is as follow:

- The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.

Please find Page 2 attached for your records.

Thank you
