Re: Phase A1 – Toddington Lane, Littlehampton
LU/228/20/DOC

To Whom It May Concern,

We can confirm that Icosa Water are the adopting authorities for both the FW and SW sewers serving the above development under a S104 Agreement with Persimmon Homes Thames Valley.

Attached is a copy of the As-Built Survey of the sewerage network which we can confirm has been built and approved in accordance with the original design proposals, compliant with Sewers for Adoption 6.

Following the completion of the requisite maintenance period, the sewers will be vested in Icosa Water and maintained in perpetuity.

I trust this meets with your requirements, should you require any further clarification please contact the undersigned.

Yours sincerely,

Robin Bishop
TDS Southern c/o Icosa Water
