Michael,

The condition can be discharged. It should be noted that construction was completed prior to approval of this condition and we have not reviewed the details in our normal way, the sewerage undertaker has confirmed that the construction is okay and in accordance with the design.

Thanks,

Neal,

Please could you submit full as built drawings of the drainage for Phase 1 for discharge of condition application **LU/228/20/DOC**, together with a statement from your engineers - i.e. are they happy with what has been built, does it accord with the strategy and the proposed drawings?

Kind regards,

Michael
