Dear Claire

Reference Woodroos Nursery Planning Application LU/229/10

I apologise for the delay in replying to your planning consultation above.

NHS West Sussex is responsible for the provision of healthcare to the residents of the county. While this site in isolation would not impact on the ability of the General Medical Surgeries within Littlehampton to manage an increase in patient registrations of circa 200, we feel that the cumulative effect of all residential development proposals in the town needs to be recognised. We would, therefore like to request a contribution towards healthcare for these additional patients in the sum of £35,000.

I trust this is sufficient information at this stage.

Yours sincerely,

Nicky Cambrook
Deputy Director (Primary Care)
