For the attention of Mrs C Rodway

Dear Mrs Rodway,

WINDROOS NURSERY, WORTHING ROAD, LITTLEHAMPTON

Further to our letter dated 31 August 2010, we received a technical note on 8 October 2010 from the applicant's transport consultants, Paul Basham Associates, comparing the expected traffic distribution of the proposed development with the site's existing use.

We are now satisfied that the development is unlikely to have a material impact on the Strategic Road Network. Therefore we withdraw the Article 14 Holding Direction and replace it with the enclosed TR110 indicating no objection.

However, we wish to remain in discussions with the applicant, Arun District Council and West Sussex County Council with regards to securing a robust Travel Plan as part of the Section 106 Agreement.

I hope the above information has been useful, please do not hesitate to contact me if you have any queries.
