Subject: Windroos Nursery, Littlehampton

Mark,

Further to your conversation with my colleague Kevin before Christmas and our telephone conversation earlier today I can confirm that a 24 hour video survey, undertaken yesterday (Tuesday, 11/01/11) at the entrance and exit to the existing haulage yard, should be sufficient to confirm/establish the number of trips generated by the existing site use during a typical weekday; this is provided that yesterday was a normal operational day at the haulage business.

Regards

Stefanie Rachmann-Davies
