4. Description of the Proposal

Please describe the proposed single-storey rear extension.

The proposed single-storey rear extension will provide independent living for a disabled occupant. A ramp at the side of the property will lead to a new bedroom and bathroom at the rear. The new bedroom and bathroom have been designed to meet the needs of the disabled occupant. This extension will provide independence for a wheelchair user, that could not be achieved by maintaining the existing building footprint. The extension will be cavity wall construction, have a flat roof and the materials used will match the existing.

6. Checklist

Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required could result in your notification being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted. Please note that as part of this procedure, if any objections are received the Local Planning Authority may require submission of further information at a later date.

All sections of this notification completed in full, dated and signed (typed signature if sent electronically).

A plan indicating the site and showing the proposed development. A plan drawn to an identified scale will assist the authority in assessing your development proposal. Plans can be bought from one of our accredited suppliers using our Buy-a-Plan service (www.planningportal.gov.uk/buyaplan)
