Hi

Yes sure no problem – please can you confirm the application number for this.

Thank you

Karen

Yes an extension of time until 20th October is fine.

Thank you.

Dawn

Thank you Dawn. The plan will be loaded onto the website and reported to committee as an update. Can you please agree to an EOT to the 20th October.

Regards

Dear Juan,

Further to our recent conversation please find attached the plan amended to show 30 caravans within the red edge the subject of this application and 60 as approved on the remainder of the site.

I trust that this is satisfactory but if you need any changes then please let me know.

Regards

Dawn

Hi Dawn.

A couple of discrepancies. I have attached the site plan recommended to be approved under condition 2. When looking at the site plan the number of caravans along the western boundary is 29 and not 34 as denoted on the proposed landscaping plan. At the northern end its 9 not 10. Once you make these changes I can arrange to include it in the plans condition.

Thanks

Dear Juan,

As promised, please find attached a plan showing the landscaping which has already been planted (some established and some more recent) at the above site.

The Leylandii planted along the western, southern and part of the eastern boundary are well established and are 5-6m high. A further row of Leylandii were planted on the eastern boundary to the north of the glasshouse approximately a year ago and are now about 1.8m tall. A row of Cherry Laurel has been planted inside this newer row of Leylandii, on the outside of the trellis fence, and extend around the northern boundary. They are planted at approximately 1m intervals and are now about 1.5m tall. I attach a document with photographs showing the most recent planting on the northern and eastern boundaries.

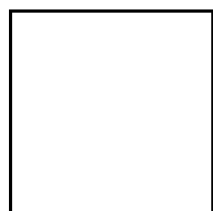

I trust this is all the information you need but if you require anything further then please do not hesitate to contact me.

Regards

Dawn
