Dear Miss Harris,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
(as amended) - Article 10**

Non material amendment following the grant of LU/121/17/RES relating to the slight changes in the positioning and size of equipment (e.g. tightrope walk, climbing pyramid) and the removal of the boulders.

Phase 2 Hampton Park Toddington Lane Littlehampton BN17 7PL

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

The reason that this proposal has been accepted as a Non-Material Amendment is because it is proposing slight changes in the positioning and size of equipment (e.g. tightrope walk, climbing pyramid) and the removal of the boulders. The proposal can therefore be considered under Section 96A of the Town and Country Planning Act 1990.

From the information submitted, I am prepared to take the slight changes to the positioning and size of the equipment and the removal of the boulders in the Local Equipped Area of Play (the LEAP) in Persimmon Homes Phase 2 development at Hampton Park as a Minor Non-Material Amendment to LU/121/17/RES as the proposed amendments would not change the description or conflict with any conditions imposed on LU/121/17/RES; the changes to the equipment in the LEAP would not result in changes that would materially alter the appearance of the LEAP; it constitutes an amendment that does not have a material impact on

neighbouring residents and would not warrant re-consultation either of neighbours, council departments or statutory bodies.

Please note that Drawing No. 2002.25561 (HamptonParkLEAP_PersimmonHomes-TV) - Hampton Park - Littlehampton: LEAP (dated 14/07/2021) now forms part of the approved planning drawings for LU/121/17/RES at Hampton Park in place of:

Drawing Number LA106 Rev. O - LEAP, which was approved under LU/185/20/NMA.

I trust this information is of assistance to you.

Yours sincerely
