Dear Mr Hefford,

Thank you for making the payment for this application on the phone the other day.

As discussed I have shown your revised plan to the Team Leader and the officer who will be dealing with your application. They have requested that you send the revised drawing at paper size A3, unfortunately the plan you sent was A4 and therefore meaning that the officers or members of the public would not be able to scale from the drawing.

Many Thanks

Charlotte

Dear Mr Hefford,

Thank you for your email.

Unfortunately the drawings submitted are still omitting to show the hedge, I have discussed this with the Team Leader for the area and we will require the hedge to be clearly indicated on the proposed plans.

Also please note we also still require the fee [REDACTED] if you would like to make this payment on a debit or credit card I will be able to take the payment over the phone.

Many Thanks

Charlotte

Dear Mr Hefford,

Thank you for your email, apologies for not responding sooner however I have been leave.

Mrs Johnson my colleague sent you an email on 5th August 2014 at 9:12 saying as follows -

Unfortunately, no plan was attached to this email. Please resend the plan to me directly.

Also, you may call me directly and I will be able to process your payment.

If you have any questions, please do not hesitate to contact me.

*Thank you,
Mrs Johnson*

I'm not sure if you received this as I have checked the file and I cannot see that you responded to Mrs Johnson, if you would like to send the plan to me instead now that would be acceptable.

I hope this clarifies things, if not then please do not hesitate to contact me.

Many Thanks

Charlotte
