Hi Brian,

Thank you for your email.

Due to the measurements extending by 0.6m, this would result in the application requiring notification letters to be sent out again and leave 4 weeks for comments. However, due to the application expiring on 07/09/21, this would not provide us with enough time to allow for comments.

Therefore, you will need to re-submit this application again with the correct measurements.

As a result, please can I ask for your withdrawal on this application.

Many thanks

Good afternoon Zoe,

It has come to light that to the rear of the building there is a public sewer running across the site. With that in mind we are having to bridge over it which means the extension will be approx. 4.60m in depth not 4.0m as originally planned. The height will remain as before.

I hope this is ok.

Regards

Brian
