

4.6

BIN STORAGE AND COLLECTION STATEMENT.

There will be 2 x 1100 ltr bulk bins and 4 x 240 ltr wheelie bins kept in the side alley of the premises as at present for recycling.

And there will be 12 x 240 ltr wheelie bins for residual waste kept in a purpose built enclosure in the rear garden area. These will be moved on collection day to the front of the premises for collection and then returned to their holding positions.
