Dear Sirs,

**Proposal: Application for reserved matters relating to access, appearance, landscaping, layout and scale of the previously approved LU/63/11/. This application affects a Public Right of Way.**

**Site: Fitzalan, Link Road, Littlehampton, BN17 6HP.**  
**LU/234/16/RES**

Thank you for your letter of 07/09/2016.

Southern Water has no objections to the above reserved matter application. Our previous correspondence dated 04/04/2011 are still apply for the above application.

It should be noted that the proposal is over a critical distribution water main and the developer should consult with Southern Water with regards to protection measures before any works are implemented on site, as indicated in our previous correspondence dated 04/04/2011. There is a potential risk of loss of supply to the immediate area should damaged be caused during construction works and access issues once the scheme is completed, it is therefore essential the developer contacts Southern Water before any works are started on site.

Yours sincerely

Developer
