Hello Michael

I can agreed an extension of time to the **20th October** for **LU/121/17/RES**, which relates to Parcels B1, B2, C1 and C2.

However, I am not clear why an extension of time is required for LU/234/16 which relates to the Fitzalan Link. This application has now been running for over a year therefore further delays really aren't acceptable, especially given WSCC confirmed that they were happy with the drawings 14th August and I submitted the agreed drawings formally on 21st August 2017. Also during last weeks Steering Group meeting you confirmed to all that you were working on the report and a decision would be issued by the end of the month. This really needs to be honoured.

Kind Regards
Laura
