Dear Michael,  
I will provide my formal response when back in the office tomorrow. However, my comment will be essentially the same as that returned to Claire, 4 April 2017 cf 40mph road i.e. that we have no objection given that a pervious road surface will be provided together with acoustic barriers as detailed.  
Kind regards  
Carol

Hi Carol,

Have you had chance to look at the noise issue regarding the Fitzalan Link Road (LU/234/16/RES)?

I am being chased for an answer.

Kind regards,

Michael
