Good afternoon Michael,

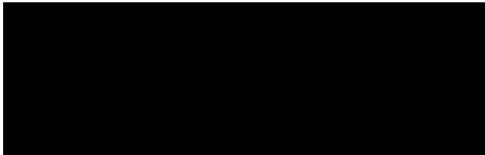

I have confirmed with our Highways Consult. That the Lyminster Bypass is 9.3m Overall (7.3m carriageway with 1m hard strip either side) and the Fitzalan Link Road is 8.75m overall (6.75m carriageway with a 1m strip on either side.) These widths are based on and agreed with West Sussex County Council Design Principles.

Should you require any further information or have any additional queries, please do not hesitate to contact me.

Kind regards,

Amanda Tinwell

I look forward to receiving your answer.

Kind regards,

Michael
