ACTION...

4 Harebell Close, Littlehampton

If yellow notice of above was stuck on a board outside No 4 it is not there. Maybe due to naughty people destroying it.

This is obviously correct as a yellow notice re: tree work on protected trees by Foxes Close, Rustington. Bottom of Columbine Way - Hamilton Road - Hargreaves Estate heavily reinforced.

Enclosed in a plastic case - securely attached to the street sign and at the bottom of noticed a plastic printed strip on white background added.

This states "Property of Arun Council" Do not destroy.

A reinforced notice needs therefore to be staked outside No 4 Harebell Close so allowing residents at Nos 5, 6, 7, 8 to see and read and voice objections if required to the above extension reference.

* As the notice has not been displayed for the correct length of time is it not in order for the period of objections be received by 31.08.17 be extended?

* Please could you reply with the last paragraph to all occupiers of No. 1 - 2 - 3 - 5 - 6 - 7 - 8 Harebell Close.
