Good morning and thank you for your confirmation of our objection

May I add please, our neighbour (number 3) was told when visiting your offices that the planning application had been correctly displayed at the property and had been evidenced by photograph

This is completely 'untrue', no notice has ever be displayed and no notice is currently displayed, please will you send one of your officers around to verify this?

This is prima facie 'fraudulent', (attempt to gain planning permission by 'deception') with objective without incurring neighbours objections?

Please will you kindly investigate this illegality?

Yours faithfully
