Dear Zac

Thank you for your email, yes I consent to the extension of time.

Whilst writing may I confirm that the small room 9 in the building will not be used for residential purposes as it is below the minimum requirements for HMO licensing.

Kind regards

Jacqui

Dear Ms Narvaez-Jimenez,

Please may I have an Extension of Time until the 23rd of November? I am currently minded to approve this application, and therefore the report will need to be assessed by other members of the department.

Please do not hesitate to contact me with any further enquires.

Kind regards,

Zac

Dear Mr Denton

Further to our telephone conversation, in the event that my application is called in for a meeting, please will you send me a copy of the officer's report via email to [REDACTED]? This is more convenient for me as some mail has gone astray recently.

Many thanks.

Kind regards

Jacqui

Dear Mr Denton

Further to my telephone enquiry where you said you would clarify and ring me back I have not heard anything?

As you mentioned you had to check about the Littlehampton parish and what is the next process with my application, perhaps you'd like to share these photos to confirm that I am not looking to drag down the neighbourhood, but enhance it, thus there should be no loss of amenity to my neighbours.

I look forward to hearing what the next steps are with my application.

Kind regards

Jacqui
