Dear Andrew,

I am sorry to hear you will not be able to attend.

The Council has no control over the pre-emptive advertisement of the rooms to rent. If the application were refused and the rooms were occupied then this would be unlawful.

Kind regards,

Z Denton

Hi

I cannot make the hearing and will be interested in its outcome
However, if nothing is agreed until the outcome, why is the owner advertising the rooms for rent already ?

Surely, they must await the outcome before making such moves

Thanks
Andrew
