OWPC30222

I visit Littlehampton from time to time in the summer and have the impression that Littlehampton is lagging behind in the constructive approaches being adopted for new developments along the South coast. The proposed development seems to me to be going to make a positive statement as you approach the town from the West. The proposed new houses should have good outlooks and so should attract new residents which will help the local economy as well as enhancing the impression of progressiveness that I feel Littlehampton needs to adopt.

Your views as made above will be considered before the application is determined.
