1 To Addressee

Belmont Designs Preactice Ltd

2 Site Address

19 Maxwell Road
Littlehampton

3 Description of Development

Demolition of existing double garage and erection of 1 No 1 bed dwelling to rear of existing dwelling.
This application is in CIL Zone 4 and is CIL Liable as a new dwelling.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **REFUSE** to approve the development as described in the application and plans for the reasons stated.

- 1 The site, by virtue of its size, is unsuitable and insufficiently large to accommodate a dwelling and private amenity space satisfactorily. The proposal results in an unduly cramped form of development which is contrived in design and does not have the appearance of a dwellinghouse. The proposals would harm the character and amenities of the surrounding residential area, contrary to policies D DM1 and D SP1 of the Arun Local Plan and Part P of Arun Design Guide and paragraph 131 of the NPPF
- 2 The proposal, as a result of the limited site area, results in unacceptable loss of amenity space for the existing dwelling on the ground floor of 19 Maxwell Road. The proposal fails to provide sufficient private amenity space for future occupiers as the space would be entirely overlooked from the first floor windows of 19 Maxwell Road. The lack of private external amenity space would be detrimental to the residential amenities of existing and future occupiers. The proposal is therefore in conflict with policies DDM1(3), DDM1(15) and QE SP1 of the Arun Local Plan, Part H of the Arun Design Guide and paragraph 135(f) of the NPPF.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended). The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and discussing those with the Applicant. However, the issues are so fundamental to the proposal that it has

not been possible to negotiate a satisfactory way forward and due to the harm, which has been clearly identified within the reasons for the refusal, approval has not been possible.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must send notice to the Local Planning Authority and Planning Inspectorate(inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details can be found at www.GOV.uk

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on

highway land).
