Dear Ms Kinchington,

Town & Country Planning Act 1990 (as amended)

Town and Country Planning (Development Management Procedure) (England) Order 2015

Approval of details reserved by condition imposed under LU/287/17/PL relating to Condition Nos 7 - divert public sewer and 8 - foul & surface water sewerage disposal.

46a and 47 Pier Road and Land North of Clifton Road Littlehampton

Notification regarding the above application:

Condition Number 8

Construction of the development shall not commence until details of the proposed means of foul and surface water sewerage disposal have been submitted to, and approved in writing by, the Local Planning Authority in consultation with Southern Water.

Reason: It is considered necessary for this to be a pre-commencement condition because the drainage needs to be resolved satisfactorily before the development proceeds in accordance with policy GEN9 of Arun District Local Plan.

Decision:

Arun District Council have decided to **REFUSE details reserved by condition for the following reasons:**

This condition cannot be discharged until any Diversion proposals (reference SWS.S185.002674) have been agreed and approved by Southern Water.

Please do not hesitate to contact the above officer if you require any further assistance.

Yours sincerely

Neil Crowther
Group Head of Planning

NC.
