**Town and Country Planning Act 1990 (As amended)  
Town and Country Planning (General Permitted development) Order 2015 Schedule 2 Part 1 Class A**

---

Arun District Council has received application: LU/23/26/PDH for Notification under extended permitted development rights for a single storey rear extension measuring 3.6 m from beyond the rear wall of the original dwelling house, with a maximum height of 3m and an eaves height of 3m.  
at 22 Falkland Avenue Littlehampton

---

Arun District Council accepted a valid notification for the above proposal on 28th January 2026 and must give a formal response to the applicant by 11th March 2026. Further details of the proposal can be viewed on line by searching by the application reference number at: <https://www.arun.gov.uk/planning-application-search>.

Arun District Council as the Local Planning Authority, is only able to assess the impact of this proposed development on the amenity of adjoining premises where any owner or occupier of any adjoining premises objects. If you are not the only owner or occupier of the property, it is important that you pass a copy of this notification to them so that they have an opportunity to make representations.  
**Representations must be received by 5th March 2026.**

If no objection is received the Council must notify the applicant that prior approval is not required and the applicant can proceed with the works under this section of legislation providing the development complies with all other sections contained in Class A of the above Order.

If an objection is received from any of the adjoining premises, then Arun District Council is required to assess the impact of the proposal on the amenity of all adjoining premises and must respond to the applicant by either giving prior approval or refusing prior approval.

Objections can be made in writing quoting the above reference number to the Group Head of Planning at the Arun Civic Centre, Maltravers Road, Littlehampton BN17 5LF or on line by going to the website at: <https://www.arun.gov.uk/planning-application-search> and searching for the application by reference number and entering your comments on the online facility. The legislation is clear that only objections from adjoining premises can trigger the need to consider the affect on amenity so please make it very

clear whether or not you object and if writing from a different address please make it clear that you are in fact the owner/occupier of one of the adjoining premises. If it is not clear then it will be assumed that the representation is not from an adjoining premises and it will have to be disregarded.

If you have any further queries please contact the case officer Rhiannon Lloyd on 01903 737637

Yours faithfully
