Subject: LU/240/13/

I would like to object to the proposed development on application LU/240/13/ for the property below:

Toddington House, Toddington Lane, Littlehampton, West Sussex, BN17 6JX. (Mr M Warom)

As a resident of Steele Crescent, I wish to point out that we have endured months of building works and disruption in the area, and can only see this problem getting worse if the application goes ahead.

We already have major parking issues in the Crescent, whereby residents are unable to park outside their properties during the week, from 8.30am until 5.30pm, due to the employees of Toddington House parking there. The problem has been raised with Mr Warom who has shown a complete lack of interest and regard for the problem.

I would appreciate it if you would please consider the above points when making your decision.

Kind regards

Sarah Weller
