Thank you for your internet representation made on 4th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40109

The problem with parking is my main objection causing problems to an area already with heavy traffic at school times. The WSCC state there are no causes for concern according to their maps, as a resident in the road I wish instead of looking at maps they would visit the area at various times of the day to monitor the situation including the hours when most people are at home (ie after or before the days work starts)
