

PLANNING APPLICATION REPORT**REF NO:** LU/241/08/**LOCATION:** 11 Irvine Road
Littlehampton**PROPOSAL:** Terracotta honeycomb walling to top of existing front boundary wall, raise brick piers and re-fix existing stone cappings.**SITE AND SURROUNDINGS**

DESCRIPTION OF APPLICATION	As above.
SITE AREA	Approximately 600 square metres
RESIDENTIAL DEVELOPMENT DENSITY (NET)	N/A
TOPOGRAPHY	Predominantly flat
TREES	Evergreen and deciduous trees within the site, not affected by proposal.
BOUNDARY TREATMENT	Western boundary consists of approximately 1.3 metre brick wall with woven willow fencing with total height approximately 2.8 metres. Eastern boundary wall has terracotta honeycomb walling to a height of approximately 2 metres. Subject wall backs directly onto the pavement and is approximately 1 metre in height with half circle stone cappings and approximately 1.4 metre decorative stone cappings.
SITE CHARACTERISTICS	The site is occupied by a semi detached 3 storey Victorian dwelling with knapped flint and brick walls and decorative chimneys
CHARACTER OF LOCALITY	The site is situated within the Littlehampton (Sea Front) Conservation Area. The area is located on a mature residential road characterised by semi detached dwellings within large plots of various styles and designs, some of notable character. There is a large high rise block of flats in the vicinity. There are similar walls as to that proposed in the immediate area.

POLICY COMMENTARY

PLANNING

The above policies combine to describe the criteria against which the application will be assessed particularly with regard to visual and residential amenity.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

PLANNING

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

LISTED/CA

Section 16(1) of the Planning (Listed Buildings & Conservation Areas) Act 1990 states:

"In considering whether to grant Listed Building Consent for any works, the Local Planning Authority shall have special regard to the desirability of preserving the building or its setting or any features of special architectural or historic interest which it possesses."

Where the building is located in a Conservation Area, Section 71(1) of the Act states:

In the exercise, with respect to any buildings or other land in a Conservation Area of any powers (under the Planning Acts), special attention shall be paid to the desirability of preserving or enhancing the character or appearance of that area.

The proposal is considered to comply with these criteria in that it is not considered to materially affect the character or the setting of the Grade II Listed Building or the character of the Conservation Area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

The Terracotta honeycomb walling to the top of existing boundary wall will reflect that of other walls within the site and neighbouring site.

It is an attractive form of walling which is considered to improve and enhance the designated conservation area.

It is therefore recommended that the application be approved subject to the following conditions.

RECOMMENDATION**APPROVE CONDITIONALLY**

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

2 INFORMATIVE:
