Dear Simon,

We have had comments from County Drainage as the LLFA. They state *"Appropriate construction drawings, layout plans and an acceptable maintenance strategy have been submitted that comply with the wording of Condition 9. However, a Construction Method Statement is required in order to discharge Condition 9. As such, we are unable to recommend the discharge of Condition 9"*

You can either provide the CMS to us by the 22nd January and then I will re-consult or we can issue a part discharge of condition 9. Please advise.

Kind Regards

Simon
