Hi Neil,

My request to change the trees to more columnar varieties and not to use Cotoneaster horizontalis has been satisfied.

Assuming the properties will be built with suitable depth foundations to allow for the root development of the trees as they mature the varieties specified are acceptable.

Regards
Michael

Dear Neil

Further to our ongoing discussions on behalf of Bellway Homes I am pleased to attach amended landscaping details which have been produced following a direct liaison between our landscape consultant and Michael Rowland.

I can confirm that hard copies of the attached are in this evenings post.

I also attach a copy of the levels drawing, which is also in the post.

Kind regards

Alistair
