RE: LU/245/13/TC

CROWN REDUCE AND THIN 1 SYCAMORE TREE
BY 3 METRES IN HEIGHT WITHIN THE RIVER
ROAD CONSERVATION AREA

7, TERMINUS PLACE, REAR OF 18, RIVER ROAD

Dear Sirs,

Please note this tree is in the garden of your tenant at 7, Terminus Place. It seems there is a history of residents from 18? RIVER ROAD logging trees in this area with no notice or planning permissions. This has caused much distress to your tenant (and our member) at 7, Terminus Place.

Now works are proposed to this tree, I request that this lady's fears be allayed, that works are not too drastic and she is treated with consideration due to ill health.

Further I wish to add that this tree is visible from River Road, across the car park of Hampton Court and also from the footpath to - from the Railway Station beside Hampton Court.

Although needing to be pruned, this tree is prominent in the view against the rear of the white cottages of Terminus Place. = HIGH AMENITY VALUE IN THE AREA.

Sincerely,

Secretary,
Civic Society.
