In response to the above application I can confirm that environmental health have no objections to the extension of the delivery time by 1 hour in the morning Monday to Saturday providing Morrison's adhere to the control measures set out in their Quiet Delivery System set out in Appendix 3 of the Planning Statement dated 2015 which accompanies this application. I would request that this be conditioned so as to ensure that noise is kept to a minimum during deliveries in order to prevent disturbance to nearby residents.

Regards
