Dear Mrs O'Leary,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10**

Non-material amendment following the grant of reference LU/59/19/PL for installation of an ATS cart canopy at north-east corner of 'Building 5' and re-provision of the existing cycle shelter in its current location.

Land at Watersmead Business Park Worthing Road Littlehampton BN17 6LS

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

From the information submitted I am able to take the alterations detailed namely change in design of the existing cycle shelter to upgrade, relocation of smoking shelter to allow an ATS cart canopy as a Non- Material Amendment to LU/59/19/PL. Drawings: 7260-SMR-00-ZZ-DR-A-2001-S3-P10; 7260-SMR-00-ZZ-DR-A-2007-S3-P4; DBN3-SMR-00-ZZ-DR-A-2010-S3-P3; DBN3-SMR-00-ZZ-DR-A-2102-S3-P2 have therefore become the approved plans for planning permission LU/246/19/NMA.

The reasons that these proposals have been accepted as Non-Material Amendments is because they would not warrant re-consultation with neighbours and do not involve any significant increase in the length or width of the proposal and they can therefore be considered under section 96A of the Town and Country Planning Act 1990.

I trust this information is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
