Thank you for your internet representation made on 7th November 2024 which has been recorded as no objection with the comments as follows:

OWPC72126

This application was considered by the Town Councils planning and transportation committee meeting held on Monday 4 November 2024.

The committee had no objections.

We welcomed the correspondence between the applicant and planning authority regarding ecology and biodiversity, which they hoped would lead to a more sustainable development. The use of natural hedging and rainwater harvesting for flushing toilets would be welcome to address the loss of habitat and mitigate rainwater run-off and foul sewer overload.

Your views as made above will be considered before the application is determined.
