Hi Kathryn

We have not been able to set up a call with Mat Jackson in the Flood Risk Management Team at West Sussex County Council to discuss their comments on the application scheme for Toddington Lane as yet. We will update you as soon as we hear back from WSCC. However, it does mean that Green Structural Engineering will need a bit more time to update the Flood Risk Assessment and Drainage

Strategy beyond your originally requested date of 25 November 2024 for a response. I hope this is acceptable to you.

If you do have a phone number for the Flood Management Team, that could help to speed up the process.

Many thanks

Regards

Frances
