Dear Kathryn

Toddington Lane Planning Application (LU/246/24/PL) – Land Ownership

It has come to our attention that an area in the northern part of the application site, adjacent to the highway, may be owned by West Sussex County Council Highways. This area is proposed to be used for landscaping for the scheme.

We have therefore served West Sussex County Council with notice of the planning application for the Toddington Lane scheme today and enclose a Certificate B form for the current planning application. We would be grateful if you would please substitute this for the Certificate A which was originally submitted with the planning application.

Please let me know if you require any further information at this stage regarding this matter. The application boundary remains the same as that for the previous granted planning permission for the site.

Regards

Frances
