For The Attention of Zac Denton

Further to the objections already stated, please find additional points and a question.

A/ Kitchen back door, part glazed for extra light would be overshadowed by the proposed 3 metre wall, which would be only ONE metre away.

B/ Reference made to the two storey extension, we would like to point out, the extension is not of recent build, it was built in the early 1900's, many years before our neighbours purchased no. 13.

C/ The adjoining fence mentioned in the proposed development, belongs to no. 11 and we would not like it to be removed for any reason without discussion and agreement.

Question: What form of structural change is proposed to support the rear of no 13, taking into consideration the age and type of foundations this property has?

We await the favour of your reply.

Regards

Peter Colyer & Janet Shaw
