Description of works: Partial demolition of existing building, retention of boundary wall & street facade, partial demolition of boundary wall to incorporate new pedestrian gateway & gate, erection of 6 No. flats in 2 blocks connected by shared stair & lift core, on site parking yard for 8 No. cars & 8 No. cycles & space for communal refuse & recycling bins. This application affects the character & appearance of the Littlehampton River Road Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 3rd October 2020 which has been recorded as support with the comments as follows:

OWPC30044

The proposed new development is exceptionally well thought out and just like the adjacent property at 47 River Road, is an elegant and sustainable building. It breathes new life into a derelict old structure and secures its future for hundreds of years to come. It ensures new access to the river for leisure users. It adds value to the river scape and the street scene as well as demonstrating that Littlehampton is a place to invest in and live.

Your views as made above will be considered before the application is determined.
