Thank you for your internet representation made on 7th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31062

Am I to assume that , as there are no balustrade details on the south eastern elevation plan, that there will be no access to the set back flat roof areas?.

There is no detail of these shown on front or rear elevations,

Can it be clarified that there are no longer

"Upper set back amenity terraces "?

Regards, A.Smith
