This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Planning Services should be considered to be advice only, with respect to this planning application.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSSC map information. A site visit can be arranged on request.

The LHA has been re-consulted on this application following submission of revised plans demonstrating that the applicant owns the land to the front of the site, and that there is no third party land issue in this location.

The applicant is requested to provide trip generation details pertaining to the existing use of the site as a vehicle repair shop, to enable the LHA to establish whether the proposal would represent a material intensification of use.

Please request these details from the applicant and re-consult.
