Hi Anita,

Further to your email will you please keep the application live. I confirm agreement of the extension of time until 17th November 2017.

We will amend the elevations as suggested in the meantime.

Dear Mr Locke,

I have been trying to get the above application on the agenda for the next development control committee meeting on 18-10-2017. Unfortunately the design of the dwellings is not acceptable and does not reflect the quality secured on adjoining sites which include different elevational materials, including tile hanging not just face brickwork. Without prejudice, the application can either be refused under delegated powers at the beginning of next week or I am prepared to allow the application to remain live with a target committee date of November and an agreed EOT until 17-11-2017 to allow for time for receipt of amended elevation plans. Please let me know how you wish to proceed and confirm your written agreement to the EOT if you wish to amend the design.

Regards

Anita Gardner
