Dear Mr Clover,

I note that the proposed floor plan for the proposed change of use to Adult gaming centre and betting office shows the rear of the premises as remaining as retail area. I Take it that this is meant to form part of the adult

gaming centre use. Please can you confirm if this is the case or not. If this is the case please could you amend the plans to remove the reference to retail area on the proposed floor plan. I am currently writing this application and would like to pass this across to the Area Manager for sign-off this week (or as soon as amended plans are received).

As such I am also requesting an Extension of time until the 6th December (to allow Area Manager time to sign off report given that he is in an appeal much of this week.)

I look forward to your reply to this email.

Yours sincerely
