This is the WSCC County Highways (CHA) response to the above planning application seeking approval of details reserved by condition imposed under ref LU/234/16/RES relating to Condition Nos 3 - disused crossovers and/or accesses no longer required and 4 - signing strategy.

### Response.

1. *Condition 3, disused crossovers and/or accesses no longer required* – The submitted plans appear to have picked-up all disused crossovers and accesses no longer required and have additionally been checked by WSCC officers as part of the S38/278 process.
2. *Condition 4, signage strategy (for Fitzalan Link Road)* – The plans, as submitted, are acceptable to WSCC as Highway Authority.

### Conclusion.

The submitted details to discharge conditions 3 and 4 are acceptable to the Highway Authority. As such, 'no objection' is raised to this planning application.
